

Collision North Of Bushkill Kills Port Carbon Resident

Two Others Are Injured Seriously

Bushkill — Robert Watson, 55, of 201 Fourth St., Port Carbon, Pa. was instantly killed yesterday shortly after midnight when the car in which he had been a passenger was struck by another vehicle and ran over him a few miles north of here.

State police at Milford substation said two other persons, both passengers of the other vehicle, were removed to the St. Francis hospital, Port Jervis, N. Y. for treatment to injuries they suffered.

They are:

Roosevelt Hilton, 25, of Rose Hill, Miss., a steward in the Navy aboard the USS Bishop, now at Newport, R. I. and Hilton's wife, Amy, 19. Their fourteen-month-old daughter Gwendolyn was not hurt.

Mrs. Hilton, police said, is in the seventh month of pregnancy. She has a fractured pelvis. Her condition is serious. In addition to multiple cuts about head and face, Hilton has a possible skull fracture, police reported.

Cpl. Glenn James of Milford substation and Coroner Walter Depp of Pike county conducted investigations.

Authorities said Watson was traveling south towards this community in a car operated by James Thomas, 118 Pottsville St., Port Carbon. Apparently Watson was having difficulty moving the door window on his side and Thomas reached across to help him.

The Thomas car swerved off the road and struck a metal marker used by the Highway department to warn snow plow operators of culverts or open ditches.

Thomas brought the car back on the road and stopped because the impact bent the right rear fender down on the tire.

Both Thomas and Watson got out to pull the fender off the wheel. As they worked another car moving north pulled abreast and stopped. Someone in the car offered help and Thomas moved over to explain he needed none.

Police said at that time another car traveling south towards Bushkill, operated by Ernest Flood, 19 Farmville, Va., also a steward aboard the USS Bishop, came around the slight right turn. The Hiltons were passengers.

Apparently Flood was blinded by lights of the car which had been stopped abreast the Thomas vehicle and did not see the Thomas car. Flood's car struck the Thomas vehicle and drove it over Watson, police said.

Both the Thomas and Flood vehicles ran off the highway.

Police still have the case under investigation, pending outcome of injuries to both Mr. and Mrs. Hilton.

Two Senators Demand Slash In Arms Bill

Washington, (AP)—Two senators demanded slashes up to \$6,000,000 yesterday in the cost of expanding American military power.

Senator Flanders (R-Vt) said he would propose a \$55,000,000 ceiling for expenditures to build up the armed forces during the current year.

He was discussing a defense measure totaling \$61,103,856,000 which the Senate Appropriations committee unanimously approved last Friday.

Senator Douglas (D-Ill) also introduced a series of economy amendments that would strip between \$600,000,000 and \$1,000,000,000 from the \$61 billion bill. This exceeds the total asked by the administration and approved by the House.

Truman Defends Spending Policy

Washington (AP)—President Truman yesterday attributed the bulk of the government spending to its "mighty program for security" and dismissed charges of waste and extravagance as a "pack of lies."

And he claimed over the last five years the government has been operated with a "surplus of nearly \$8,000,000,000 altogether."

Mr. Truman tore into his critics in a speech dedicating the new seven-story General Accounting office building.

He accused them of using "butterfly statistics" and said at one point: "I don't want to lose the horse through being too stingy to buy a strong enough rope to tie him with, or have him starve by being too stingy to buy the oats and corn to feed him."

Czech Train With 25 Refugees Flees To Germany; 87 Other Passengers Want To Go Back

Hof, Germany, (AP)—A Czechoslovak engineer raced his express train across the border yesterday with 111 passengers, 24 of whom said they wanted to escape with him from their Communist-ruled homeland. It was the strangest mass flight yet made from behind the iron curtain.

The "freedom train" failed to make its last scheduled stop inside Czechoslovakia at Asch, near the West German frontier. Instead it switched onto freight tracks which carried it to the West German border station of Selb-Ploesberg, 25 miles from Hof.

The engineer and 24 passengers gave themselves up to startled West German border officials. He said the others on the train, including train crewmen, six children, two Czech soldiers and a Czech policeman, were "reluctant" passengers who wanted to go back.

Engineer Frázek Jarša, who brought his wife and two children with him, said "We did it because it is no longer bearable to live in an East European state."

"We made plans for our flight for a long time. We brought food and clothing—everything we could."

He told newsmen that "all along the way we got help."

The crossing into West Germany was made possible, Jarša said, by a switch that was thrown to put the train on a side track leading to Selb-Ploesberg.

The reluctant ones stayed on the train while German and Czech authorities argued about how to get

Rejected Suitor Stabs Girl In Back As She Walks Toward Communion Rail In Cathedral

Des Moines, (AP)—While a priest intoned mass, a pretty 23-year-old girl was stabbed in the back by a rejected suitor as she walked toward the communion rail at St. Ambrose cathedral yesterday.

As the girl, Theresa O'Connor, lay near death in a hospital from her wounds, John A. Masterson, 24, made a written statement which he declined to sign, for police in which he said he stabbed her "seven or eight times" because she had broken off their romance.

"She didn't seem to fall, she just kept on going," Masterson said.

Det. chief Jack Brophy said that if Miss O'Connor lives Masterson will be charged with assault with intent to inflict great bodily injury. If she dies, Bro-

Senate Bill Raises Taxes \$5.9 Billion

Washington, (AP)—A bill to raise taxes about \$5,900,000,000 a year was whipped into final shape last night by the Senate Finance committee.

Chairman George (D-Ga) announced the committee had completed its work on the huge revenue measure but would meet again to approve it formally after the committee staff finishes drafting it and writing a comprehensive report.

The final total worked out by the committee is well under the \$7,200,000,000 tax boost advocated by the House when it passed its version of the bill some weeks ago. And it does not approach the \$10,000,000,000 President Truman requested to balance the Federal budget for the current fiscal year and put a curb on inflation.

George, however, contends an additional yield of about \$6,000,000,000 in tax revenue will be enough to keep the nation on a pay-as-you-go basis, as far as cash outlays are concerned, for the fiscal year, which began July 1.

Several senators have announced they will try to raise the revenue total by offering amendments on the floor of the Senate.

The bill is expected to be ready for Senate debate next Monday. It is on the list of "must" legislation on which the administration intends to get action before Congress adjourns this Fall.

Most of the new revenue in the Senate bill would come from these items:

Individual income tax—\$2,394,000,000. This boost would be effective November 1.

Corporation income tax—about \$2,100,000,000. This would be retroactive to March 31, 1951.

Excise taxes—\$893,000,000. These include increases on liquors, beer, cigarettes, gasoline and diesel fuel, passenger cars, trucks, buses, automotive parts and accessories, appliances such as washing machines and vacuum cleaners.

Gambling taxes—\$407,000,000. These include a 10 per cent levy on all bets with professional bookmakers and with operators of lotteries such as numbers games.

The finance committee voted to raise personal income taxes by \$480,000,000 less than the House, and corporation levies by \$798,000,000 less.

But it approved slightly higher excess tax boosts, picking up \$58,000,000 more in new revenue from this source than the House.

The senators lost an estimated \$323,000,000 in annual revenue as compared with the House bill by knocking out a 20 per cent withholding tax on dividends, interest and royalties.

Sentence Fits 'Slight' Offense

Bloomington, Ind., (AP)—Fred Hawkins' wife accused him of assault and battery.

Hawkins pleaded guilty, but, he told the judge, "I only hit her slightly."

To which the judge replied: "I'll give you a 'slight' sentence—60 days and \$10 and costs."

Guardsmen Face Call

Columbus, O., (AP)—Ohio's National Guard division—the 37th Infantry—appeared on the verge of a call to Federal service last night. So did National Guard divisions in "several other states."

Brophy said Masterson made his statement after first talking to Rev. John F. Hart who was brought to headquarters from the cathedral. He said he put the knife in his pocket about 4 a.m. with "intentions of using it on Terry O'Connor."

At the hospital, before she entered surgery, Miss O'Connor told patrolman Roman Martin: "He was crazy. I used to go with him and had told him I did not want any more to do with him. He has been pestering me for some time."

Masterson, a former university student, told police he had known Miss O'Connor since 1949.

The attractive brunette was a clerk for an electrical supply firm here, and friends said she rode home from work last night with another man.

Miss Chadwick Breaks Two Channel Marks

Dover, Eng., (AP)—Florence Chadwick yesterday became the first woman ever to swim the icy English channel from Britain to France and the first woman ever to make it both ways. She did it in near-record time.

The 32-year-old San Diego, Calif., mermaid—who last year broke the woman's record from France to Britain—zig-zagged 35 miles across the calm but largely fog-shrouded channel in 16 hours and 22 minutes.

This time missed by only 31 minutes the Britain-to-France record set last year by Tom Blower, 37-year-old Briton. Blower also splashed out from Dover yesterday, planning to try to swim the channel both ways without stopping.

Miss Chadwick, a professional swimmer using piston-like strokes all the way, crawled ashore yesterday afternoon at Sangatte, midway between Calais and Cap Gris Nez.

Three Face Death Penalty In Fatal Fire

New York, (AP)—A possible death penalty yesterday faced three men who allegedly plotted a small insurance fire that erupted into a deadly inferno.

One arsonist died Monday night in the \$1,000,000 fire he set himself, police said. So did James Daggett, a 38-year-old detective hot on the trail of the arson gang.

The district attorney's office said the "squad" came planned to burn a small downtown clothing firm to collect \$20,000 insurance. The plot backfired when they clumsily used too much gasoline, it was added.

Held without bail for a hearing September 25 were the owner of the clothing firm, Al Keshner, 42, and an alleged accomplice, Jake Mayron, 39.

A third man, Jack Weiss, 67, injured in the fire, also will face first degree murder charges. The fourth alleged arsonist, Moe Shapiro, died in his self-made funeral pyre.

Herman said Keshner admitted hatching the arson plot because he was upset over business losses. He allegedly paid the other three \$1,350 to touch off the blaze.

Malone Attacks Jap Peace Pact In Senate Talk

Washington, (AP)—Republican words of praise for Secretary of State Acheson's role in the Japanese peace treaty conference touched off a shouting match between Senator Malone (R-Nev) on the Senate floor yesterday.

Angrily charging that Acheson's policies have lost Asia to Communism, Malone said Acheson had engineered a treaty which would produce these "inevitable" results:

One. The final downfall of Nationalist China.

Two. Entry of Red China into the United Nations.

Malone also predicted that Acheson will resign within 60 days on the strength of his sudden bound to acclaim from some Red Legionnaires.

Malone's outburst was sparked by earlier speeches in which Senator Knowland (R-Cal) and Senator H. Alexander Smith (R-NJ) highly praised Acheson's handling of the San Francisco treaty conference.

NLRB Bars Lawyer

Washington, (AP)—The National Labor Relations board yesterday barred an attorney from practicing before the board in the next two years because he slugged an NLRB lawyer. The ban, the first such action in the board's 16-year history, was applied to John L. Camp, 45, of Houston, Texas, former Hardin-Simmons College football star and former county judge at Abilene, Tex.

Strike Continues

Waynesboro, (AP)—Some 200 hard rock miners continued their walk-out at the Army's underground construction project here last night after a meeting of union officials and contractors failed to materialize.

Wilson Calls For Greater Steel Output

Washington, (AP)—The steel shortage was pictured in crisis terms yesterday by Mobilizer Charles E. Wilson. He demanded a million tons more in first-quarter 1952 than the industry thinks it can supply.

In addition, Wilson said, the government will call steel producers together next week in Washington and ask them to provide, by hook or crook, an extra two-million tons in the second quarter of next year.

Wilson reported he received a "great shock" when shown by the Defense Production administration last week the prospective deficit in steel for rising military and essential civilian goods.

The Office of Defense Mobilization chief gave no further figures, but it was learned that earlier official forecasts on steel output have been trimmed to what officials describe as "more realistic" levels.

Later the DPA disclosed that its figures call for 28,000,000 tons of steel in the first quarter of next year.

Since this seems to be in the neighborhood of the earlier production estimate, it appears that Wilson is calling for a speedup in the entire steel expansion program.

Addressing a mass meeting of steel scrap experts from industry and government, assembled to plan a nation-wide scrap collection effort, Wilson made it plain he wants no slippage in the steel expansion program.

"We cannot accept anything less than a substantial increase in the first quarter of next year and another in the second quarter," he declared.

"We are going to call them (the steel producers) together next week and tell them that, so there will be no question about it. You've got to help them. You know how to do it. Get the scrap. We've got to have it."

The aluminum shortage also made news. The National Production authority put a ceiling on the number of new cars which may be equipped with automatic transmissions. Only 35 per cent of automobiles priced at \$1,800, delivered at factory, may have the automatic gear shift.

Sixty five per cent of cars costing between \$1,800 and \$2,500 may be so equipped and 100 per cent of those priced above \$2,500.

Industry sources indicated this means General Motors will have to reduce the number of Chevrolets now carrying the self-shifting device. But more Fords may be so equipped, because fewer than 35 per cent are currently made with the automatic shift. Plymouths do not carry an automatic gear shift.

100,000 Combat Vets To Return

Washington, (AP)—Senator O'Mahoney (D-Wyo) told the Senate yesterday the Defense department plans to return 100,000 combat veterans from Korea by December, including those who fought last Winter's campaign.

The statement was made during debate on the status of World War Two veterans recalled to active service in the Korean hostilities.

This would mean rotation of nearly one-quarter of American forces in the peninsula. Gen. J. Lawton Collins, Army chief of staff previously told senators the Army wanted to make sure none of its soldiers endure a second Korean Winter.

Reservists are involved because of a disagreement over whether they are needed to help supply the necessary manpower for this extensive rotation.

Red Guns Pound UN Tanks; Allies Blast Enemy Hill

U. S. Eighth Army Headquarters, Korea, Wednesday, (AP)—Communist artillery and Allied tanks duelled today as United Nations forces assaulted Red hill positions north-east of Kumhwa on the central front.

Fierce fighting also raged on today in the mountainous east.

Attacking Allied troops quickly secured two hills in the new central front operation but ran into stiff small arms fire on the east flank. On the west flank, the enemy pounded the advancing tank-supported U. N. troops with artillery and heavy mortars.

Allies Admit One Strafing At Kaesong

Tokyo, Wednesday, (AP)—The United Nations command acknowledged with regret a mistaken air strafing of Kaesong in a message that crossed a new Communist note today flatly refusing to move the Korean armistice talks to a new site.

The Reds, however, indicated they were willing to resume the suspended talks if Gen. Matthew B. Ridgeway would "deal with the numerous provocations" they laid to the Allies.

Less than two hours separated radio broadcasts of the two notes, which preceded the formal exchange of the documents by Communist and Allied liaison officers.

Chang handed over the Red reply to Ridgeway.

The surprise announcement by Allied headquarters Tuesday night that an Allied pilot strayed off course early Monday and machine-gunned the conference site in Communist-held Kaesong was the first time in six weeks that a Communist charge was found true. Ten earlier Communist allegations of violations by U. N. ground and air forces had been turned down as false or were simply not answered.

Kefauver Hits Indictment Of Five Newsmen

Washington, (AP)—Senator Kefauver (D-Tenn) yesterday asked the Justice department to investigate what he described as apparently "a flagrant attempt to intimidate the press" in Louisiana.

Kefauver said Senators Tobey (R-NH) and Hunt (D-Wyo) joined him in asking the department to investigate the indictment of five newsmen and three civic leaders in Lake Charles, La., on charges of "defaming" gamblers and public officials.

The indictments stemmed from a series of articles on law enforcement published by the Lake Charles American Press.

The five newsmen indicted in the case were Thomas B. Shearman, publisher; his son, William Hugh Shearman, co-publisher; Kenneth L. Dixon, managing editor; James W. Norton, city editor, and Carter George, reporter.

One of the charges against Dixon, according to the local district attorney, was that he used the phrase "legal double talk" in describing a statement by an assistant district attorney about gambling.

This new fight erupted as vicious hill fighting continued in the east, with the tempo of air and sea actions increasing in ferocity.

For four straight days through Tuesday, Allied and Russian-type MIG-15 jets have tangled in "MIG alley" over northwest Korea. Two Communist jets were shot down, one probably knocked out and six damaged. No Allied losses were reported. The latest fight on Tuesday resulted in the probable.

United Nations warships harassed Red coastal positions and duelled with shore batteries. Carrier-based warplanes Tuesday lent their support in knocking out 18 gun emplacements. The U. S. cruiser Toledo steamed deep in the east coast harbor of Wonsan and in a 45-minute fight silenced four of six enemy batteries.

Carrier-based planes ranged over central Korea, hitting communications, particularly rail facilities. Two trains were hit north of Pyongyang and then the Navy fighters sped northward to attack 300 rail cars.

The battle for hills in the east has been heavy and bitter. Two Red battalions forced Allied troops from two positions but the U. N. forces later re-took the hills north of Inje. 25 miles inland from the east coast.

Associated Press Correspondent Sam Summerlin at the front quoted a briefing officer as saying the fighting still raged today.

Allied attacks on two Communist-held hills in the area were beaten back and Communist assault troops drove U. N. defenders off two peaks north of Yanggu, northwest of Inje.

On the western front, fighting was almost at a standstill. Two night attacking Red platoons were driven off southwest of Yonchon by artillery after a brief skirmish. Artillery also knocked out one Russian made T-34 tank on the road to Chorwon, one-time western anchor of the Communist iron triangle buildup area.

Crop Prospects Decline Below Earlier Forecast

Washington, (AP)—Crop production this year promises to be the second largest on record, the agriculture department reported yesterday. Any earlier prospects that output would set a new record were doomed by unfavorable weather last month in some major producing areas.

Most crops have passed the critical growing season and now face only the barrier of possible early frost. The department's monthly report said "slow progress of corn—the number one crop from the standpoint of volume—is causing concern as some of it may not reach maturity before killing frosts occur."

In another report on the livestock and meat situation, the department predicted marketing of livestock for meat purposes will increase rather sharply this fall to equal or pass the large volume of the fall of 1950. Marketing so far this year has been running below a year ago. Hog slaughtering in particular is expected to exceed levels of a year ago and prices may be lower.

Beef Prices To Rise

Washington, (AP)—Price Director Michael V. Disalle told a Cleveland packer last night that every effort will be made to get out an order this week raising the price of beef at wholesale and retail. It already had been disclosed that such an order was in the works.

Injuries Suffered In Fall Along Promised Land Road Fatal To Wilkes-Barre Youth

Promised Land, Pa.—A bump on the head which he suffered when he stumbled and fell along a highway here Saturday night, resulted in death to Ralph J. Reed, 18, of 18 Linwood Ave., Wilkes-Barre, late Sunday.

Reed, who also suffered abrasions to the hands and knees in the fall, paid no attention to the fall. He began to complain of headaches Sunday morning, although he ate a hearty breakfast at the cottage he and friends occupied.

Later the head pains worsened and he became ill. A nurse vacationing nearby urged that Reed be taken immediately to a hospital. Sheldon A. Davis, Academy St., Wilkes-Barre, drove Reed to Hahnemann hospital. He died an hour after he was admitted.

Dr. Nicholas DeLeo performed a post mortem and announced, State police of Milford sub-station reported, that the fall had apparently induced a cerebral hemorrhage which developed such serious pressure Sunday that Reed became ill. Investigating officers said Reed and friends had taken the cottage at Promised Land for a weekend. They were enroute back from a nearby restaurant when Reed stumbled and fell, police announced.

State police of the local sub-station and Coroner Walter Degen of Pike county conducted an investigation. Authorities said death was caused by a self-inflicted bullet wound from a .22 calibre revolver.

A car, believed to be Ackroyd's, was standing along the highway near where the body was found. Police said a passing motorist noticed the car and advised police. Their investigation disclosed the body.

Car was removed to the police substation for examination. A police teletype was sent to Mrs. Elizabeth Ackroyd, wife of the deceased, in Paterson. The body was released to a Milford undertaker.

YOU many think a railroad station is a strange place to start a retail business. But you see, that's where Sears, Roebuck and Co. began. We sentimentally recall that station in North Redwood, Minnesota, where station-agent Richard W. Sears, our founder, sold his first merchandise in 1886—a gold-filled hunting-case type watch of good quality—at savings.

We're grateful because you and millions of Americans have favored us through 65 years. Your confidence and your patronage are our most precious assets. Today, as we celebrate our Sixty-fifth Anniversary, the more than 25,000 Sears employees . . . and the profitable employed men and women in thousands of factories making Sears merchandise . . . unite in pledging to do our best to please and serve you. We ask you to remember that our Founder's policy of "Satisfaction Guaranteed or Your Money Back" is our golden rule.

1951's 65th candle on our birthday cake is a symbol and a promise of 65 years' standing. You can expect a full measure of quality . . . the best goods from the markets of the world . . . products that are tested thoroughly in our laboratories . . . values that are comparison-shopped before we offer them to you . . . at prices which prove you can Shop at Sears and Save! We invite you to attend this year's Anniversary Sale. It was planned with YOU in mind. It's our way of saying, "Thank You!"

College Set For Opening Of New Term

A series of extra-curricular activities, all centered around orientation and establishing programs for the 1951-52 college year, is taking place at East Stroudsburg State Teachers College this week.

First meeting of the Women's Executive council was held 7 p. m. Saturday, prior to arrival of the major number of freshmen students.

Most of the freshmen arrived Sunday. A series of group tours of the campus and informal get-togethers were held.

Registration of all freshmen and sophomores took place Monday morning and afternoon with a freshman get-acquainted party held Monday night.

Juniors and Seniors registered yesterday morning and afternoon. The freshmen were given a test in the gymnasium.

The schedules move more to the social side today, with recreational swimming at 4:15 p. m., touch football for men and field hockey for women. There will be an informal dance at 7 p. m.

A similar program of informal recreation is scheduled for Thursday.

There will be an assembly of all freshmen women and all new women students in the college auditorium at 9:50 a. m. Friday.

Italy Vies With Paris Dress Costs

by Nadeane Walker

Venice, Italy (AP)—Italian fashions being shown here will sell for a fraction of the prices charged in Paris. And that may result in some real stiff competition of the French fashion industry.

According to an Italian exhibitor, average price for a simple street dress is about \$110. The most modest day dress in a Paris fashion collection would hardly sell for less than \$300. Clients of Italian houses pay about \$125 for a suit. Paris prices are \$350 and upwards. The sky is the limit, and \$300 is a modest fee for a Parisian evening gown. Italian designers consider \$280 a stiff price for a ball dress.

English fashion prices are somewhere in the middle—less than the French, but considerably more than the Italians. A representative of the Incorporated Society of London Fashion designers, which has brought samples from some ten English houses to show in the International Festival of High Fashion here, made the following estimate of average prices: "For a street dress about \$200, a suit around \$230 to \$275 and an evening gown up to \$550."

For pure originality and style setting trend, the Italian fashion designers are not a patch on Paris, and London designers are serious competitors only in the tailor made field. Budget minded buyers may find Italian style tempting and the Italian fashion center group intends to push its advantage with regular fashion seasons near enough to Paris showings to permit buyers to include Italy in the same trip. There is no deposit here. Paris demands \$350 per buyer to see the shows.

According to fashion circles, American buyers would like to encourage the Italian stylists in the hope that healthy competition may cause French designers to accept more realistic prices. The French reply that prices are dictated by soaring costs of materials and labor.

Charades Mark P. M. Club Party At McCoy Home

Swiftwater—A game of charades lent excitement to the regular meeting of the P. M. club at the home of Doris McCoy, Swiftwater, on Thursday night. The titles of books were acted out by the members, and prizes were awarded.

The group decided to have a dinner at the Beaver House on September 22, after which they will attend the theatre as a party.

At the close of the meeting, the hostess served refreshments of lime gelatin surrounded with wedges of cantaloupe and watermelon balls and squares of cheese, pretzels, and iced tea.

Members present were: Alice Hamblin, Marjorie Boote, Susan Hackenberg, Keathe Failer, Virginia Tyreman, Louise Stout, Grace Hamblin, Gertrude Lindstedt, Frances Boly, and Audrey Hamblin; also two guests, Alice Webster and Lillian Davis.

The next regular meeting is scheduled for September 27, at the home of Gertrude Lindstedt.

Ministers Refuse Free Movie Tickets

Bangor—The Bangor Ministerial association voted yesterday to refuse theater passes to Bangor's two local movie houses as offered by Ralph Sobelson, owner, inasmuch as Sobelson is making his fourth attempt to have the voters of Bangor approve Sunday movies at the coming election.

The ministers informed Sobelson "We cannot accept movie passes because, as a ministerium, we are definitely opposed to Sunday movies."

Sobelson, in his last attempt for Sunday movies, lost by approximately 150 votes.

Busy Schedule For Grace Church Guild

The Woman's Guild of Grace Lutheran church last night opened their fall activities with a largely attended meeting at the parish house. There were 24 members present, and after discussion, they decided:

To take part in the church bazaar to be held in December;

To serve a sauerkraut supper sometime in November; and

To sponsor the building of new tables for the dining hall. After the business session, Mrs. Albert Buzni and Mrs. George Townsend served refreshments.

Gradale Sorority Barbecue Held At Kresge's

The Gradale sorority of the YMCA opened another season with a barbecue at the home of one of its advisors, Mrs. Henry Kresge, 715 Brown Street, Stroudsburg, with approximately 20 members present.

Games were played under the direction of Mrs. Patricia Dean and a social time was enjoyed by those present. Mrs. Jean Farry prepared the barbecue.

The new president for the coming year is Mrs. Marie Catudal, who announces that the next regular meeting will be September 17 at the YMCA.

Motorist Aids In Arrest Of Driver On Hit-Skip Charge

Garfield Raymond, 43, of 29 Holyoke Rd., Rockville Center, N. Y., is in Monroe county jail in default of \$300 bail pending a hearing on charges he collided with a truck at 6:55 p. m. Monday on Route 209 and failed to stop.

Raymond was arrested shortly after 11 p. m. Monday in Stroudsburg by Pfc. James Reilly of Stroudsburg's State police sub-station.

Police said Raymond was arraigned before Justice of the Peace William N. Walton, Stroudsburg, and remanded to county jail in default of bail.

They said Kenneth Starnes, Stroudsburg, RD 1, followed Raymond from a point near Finner's greenhouse along Route 209 after the Raymond-car collided with a truck operated by Leon Long, of 929 Edison Ave., Sunbury, Pa.

Starnes reported the case to police and disclosed he noticed damages to a fender on Raymond's car when he caught up with it.

Police said they located the car late last night parked on Main St., in the 800 block. They met Raymond when he came back to the car.

Lions Club To Liquidate \$450 Pledge

Stroudsburg Lions, meeting last night at Frank MacNamara's Gap View Inn on Foxtown hill, voted to liquidate a balance of \$450 remaining in the club's pledge to the General Hospital construction fund. The board of directors took the necessary action.

The program of the night was presented by a musical trio, Joseph Bertucci, piano; Bob Alsup, bass-violon and Miss Rachel Prather, soloist. The artists donated their services to the club and were thanked for their kindness. Miss Prather sang several solos, "Body and Soul," "Lover Man" and "Sarah In the Shoe Shine Shop." She also led the club in choral singing before the serving of dinner.

President T. Manning Curtis announced that the next meeting will be held Tuesday, September 25 at Varkony's Diamond Inn, Saylorsburg, when a full course dinner and smorgasbord will be featured. He appointed Samuel Everitt as special program chairman for that night. Mr. Vichnieki was appointed chairman of a committee to contact all members and ascertain probable attendance.

A musical group composed of Cass Hassinger, Sam Everitt, Frank MacNamara, Pardee Place, Charles Klingler, William Cassati and Lester Abelloff sang "I Had A Dream, Dear."

Cy Katz presented a report on the recent wrestling match held by the club showing that net profits amounted to \$450. He was given special recognition of the work he had done.

President Curtis spoke on the matter of attendance, advocating drastic action against habitual absentees.

Following the club session a meeting of the board of directors was held.

No. 1336, will meet at 8 p. m. tomorrow to discuss plans for the third annual Moose picnic.

The picnic will be September 16 at Farmers Grove, on W. Main St. Lodge Secretary John Shafer urged full attendance at tomorrow's meeting in order that plans for the picnic may be completed.

The C of C announced that the Daily News will print a weekly summary of the local news happenings and copies will be forwarded to all State Belt sign in service. Expense of the project will be defrayed entirely by the chamber.

What are the Dollar Signs Saying?

MAYBE you've noticed that dollars don't seem to talk as loud as they used to in a lot of places.

But you ought to hear what they say about this Buick.

They say—here's the big thrill—big mileage—big power of a valve-in-head Fireball Engine—eight-cylinder performance at the price you'll pay for most sixes.

They say—here are size and room and comfort that are hard to match at anywhere near the price tag this Buick SPECIAL is wearing.

They say—here are such things as an oil filter, air cleaner, vacuum booster, built-in summer ventilation—not as "extras" but yours at no extra charge.

They say that "smart buy's Buick"—by a wide measure.

But a smart buyer will also let this dashing

darling speak for itself.

He'll take the wheel and feel how it snugs to the road on turns—holds its course on the highway with big-car assurance.

He'll touch off the power of its Fireball Engine and get firsthand the lift of its nimble response.

And he'll find out how coil springs on every wheel level out what he thought were bumpy roads.

Want to know more? How about coming in first thing tomorrow?

The Daily Record's Home And Building Page

The Claridge has the attached garage under the same roof to give a larger appearance. There are two bedrooms, living room, kitchen-dinette, and a full basement, except under the garage. The blank wall between house and garage is well utilized for stairs and vestibules.

There are closets in both vestibules, two in kitchen-dinette, a linen closet in bedroom hall, wardrobe type closets in bedrooms. Rear vestibule leads to basement, garage, kitchen.

All rooms open into six foot hall, reducing waste space and providing free circulation between rooms. The kitchen and bathroom plumbing with laundry below simplifies plumbing installation. The centrally located chimney permits

location of furnace in center of house. The exterior is finished with wide siding, and the two foot overhanging roof has asphalt shingles. Dimensions are 48 feet by 26 feet. Main body is 32 feet deep. Floor area without garage is 935 square feet, cubage 17,306.

For further information about THE CLARIDGE, write the Small House Planning Bureau, St. Cloud, Minn.

Supply Pipes, Drains Often Cause Trouble

Plumbing wears out slowly. It is a deep joy when bright, new, quiet and trouble-proof, but most annoying when it begins to show its age.

Most of the trouble comes in the supply pipes and in the drains. The former clog with sediment, with lime deposits that gradually make the internal bore smaller. Hot water supply pipes are the worst offenders. When these are stopped with lime, there is nothing to do but to replace them.

Very satisfactory results have been obtained with copper tubing for these replacements. It fits the remodeling job best because there are no sharp angles to make with this flexible pipe, and it can be fished through walls and other construction difficult to manage with rigid pipe.

When supply pipes are replaced, stop cocks should be placed in them near the fixtures. They are wonderfully convenient. They cost little.

When drains begin to stop frequently, necessitating plumbers' visits, it is time to realize that something is fundamentally wrong. The most common fault is a cracked house drain into which tree roots have worked their way. There is no way to keep these out once the pipe is cracked if there are trees nearby. Willow trees and poplar trees offend most.

If the pipe must run near trees, it should be of cast iron. The extra cost of iron pipe can soon be made up with a few plumbers' visits. The pipe cannot be made tight enough to permanently keep out rootlets.

As for fixtures, pride is involved perhaps more than service. One can certainly go on using a sink after the enamel is chipped and the faucets worn. Toilets with cracked seats, cumbersome water tanks and noisy operation continue to operate long after all basis of pride in possession is gone. One can no doubt take a satisfactory bath in an old log type tub, but that is all it is good for.

New fixtures are less expensive than commonly believed, especially if the standard shapes are used and one does not go in for color. But if one wishes to indulge a flair for plumbing magnificence, the manufacturers are certainly ready for it. Certainly also good fixtures are a source of justifiable pride.

One thing more about the water supply—the water heating part of it. Our housekeeping economies are dulled in numerous cases by antique water heating and hot water storage devices suitable only for the junk dealer.

Paint Wrinkles If Too Thick

The wrinkling of paint is caused by applying too thick a coat. The surface dries quickly but there is an undried portion underneath. As the underpart dries and contracts the top surface wrinkles. This can be avoided by adding thinner to paint which has become over-thick (about one-half pint to the gallon) or by applying plenty of elbow grease and brushing out the paint to avoid thick films.

Use Space Beneath Stairways

Space beneath a stairway can easily be utilized. Oversized drawers designed to hold the usual assortment that clutters the average closet can be built-in. The panels within the wainscoting can be hinged with concealed hinges and latches and pulled out by a drop flush handle. The use of ball-bearing wheels as rollers will make the unit slide in and out more easily.

Sand Metals Before Painting

Metal surfaces should be sanded to remove any roughness before applying a new coating of paint or enamel. Any traces of rust should be completely removed or the rust will continue its destruction. Where the surface is sanded down to the metal itself, it should be given a first coat of metal primer before the finishing coats are applied.

Grey-Yellow Bath

A cool and modern bathroom has walls and woodwork enameled in a delicate gray, the ceiling painted in a creamy yellow. Towels and shower curtains repeat the yellow tint. Towel shelves and floor introduce a third color—robin's egg blue.

Damp Carpets

When humidity rises, wool carpets tend to increase in size. If a carpet is to be attached to the floor, it should be laid under tension, particularly if the weather is dry at the time. Otherwise it will expand when the weather becomes damp and the puckers will appear.

Rose-Beige Cottage

A charming Cape Cod cottage with a deep green roof is painted a rose-beige tone that contrasts pleasantly with the surrounding shrubbery. A gleaming white trim emphasizes the well-planned architectural detail of the trim. Shutters are the same deep green as the roof.

Keep Areaways Dry

Areaways around basement windows that don't drain properly are fitted with covers so that the areaways won't fill up with water and flood the basement. The covers should be fixed so they can be hoisted up in good weather to permit light and air to get into the basement.

Kitchens Becoming Standard

Standardization, between the builder and the manufacturer, of kitchen equipment is coming more and more to the front. Ranges, refrigerators and sinks have been standardized for years, but now uniformity and manufacturing economy are offered by cabinet-makers whose units come in multiples. With filter strips these units can be made to fit any space.

The generally accepted standard depth of appliances is 25 inches height 36 inches. One manufacturer has standardized wall cabinets at 13 inches deep and 30 inches high.

Home planners now can purchase complete kitchens to fit an 8 by 10 area or a 9 by 12 space, without losing individuality.

The yardstick and foot rule are the ultimate in standardization but no architect would suggest that a family suppress its own expression. A standard working kitchen still leaves plenty of latitude for decorating.

Weight Test For Paint

If there's any doubt about the quality of paint purchased for outdoor use, it's a good idea to weigh it. If it weighs less than 12 pounds per gallon, it probably is not a top-grade product. It should weigh closer to 15 pounds.

Plastic Wall Covering

New wall coverings are available in plastic impregnated paper or oiled covered canvas which are waterproofed and long wearing. Finger marks, ink, crayon and even eraser and lipstick wash right off these heavy duty coverings.

Combine Colors For Serenity

A living room with a serene atmosphere combines deep green, navy blue and chartreuse. Walls and woodwork are painted a rich, deep green; the ceiling, pale yellow. The pale yellow is repeated again on a chair covering and in lamp shades. The navy blue is introduced on the studio couch cover. The furniture and floor coverings are in cool gray and the draperies combine all the colors in the room in an attractive design.

Questions And Answers

To replace winter draperies in living room and bedroom I am planning to use dyed sheeting. I would like some suggestions as to color.

The living room walls are Wedgewood blue and the rug is a broadloom in darker blue hue. A chair has a blue background with flowers and a divan has a dark rose background with large floral pattern. The bedroom walls are sun-light yellow, the rug is brown and furniture is light green and I don't want the draperies to clash with this.

T. J.

Rose would be a good color to dye the sheeting for your living room drapes; green would be nice for the bedroom.

OUR SMALL bathroom has a royal blue asphalt tile floor, walls are covered with linoleum in a lighter blue with black border and upper walls and ceiling are rose-coral. What colors would you suggest for a plastic shower curtain, window curtain and bathmat?

L. C.

I suggest the following: Shower curtain, a pattern in royal and light blue and coral on a black background; window curtain, royal blue; bathmat, coral.

Lighter Asphalt Tile Available

For the first time, asphalt tile in a light yellow, green and a bright red are available. Until now the tiles have been available only in dark colors.

To achieve the new light colors the manufacturer has added more vinyl resins as a binder.

When building new wooden porch steps or replacing parts of old ones, it is advisable to paint the undersides of the stringers, risers and treads. This is especially important where moisture is frequently present as it will prevent the paint on the upper surface from blistering.

'Miracle' Case To Be Probed

Seranton, Pa.—A doctor who used the term "miracle" in describing the recovery of a blind woman's sight was told yesterday he will be investigated by the Board of Censors of his county medical society.

The physician, who will be called on to explain his public statements and actions at a fact-finding inquiry, is Dr. Alexander M. Munchak, a general practitioner.

His patient is Mrs. Mary Cerra, 38, who lost her sight 11 years ago when stricken by an optic hemorrhage while giving birth to the youngest of her three children.

She said she regained her sight August 11 while being treated by Dr. Munchak. Other physicians had called her case hopeless, she said.

At the time of the recovery, Dr. Munchak told newsmen: "It's as close to a miracle as I've ever seen."

Dr. Munchak said he is standing by that statement. He admitted Mrs. Cerra still is unable to see objects straight ahead, but can, with limitations, make out objects with a side view.

Dr. George A. Clark, head of the Lackawanna County Medical Society's Board of Censors, emphasized that the inquiry will not concern itself with any diagnosis and treatment of Mrs. Cerra by Dr. Munchak.

It will be restricted, he said, to problems of professional ethics involved in the case.

Dr. Munchak said he had no intention of violating professional ethics.

The medical society did not elaborate on what "professional ethics" may have been violated. But Dr. Munchak said he has been told that some of the members of the society complained that stories and

Allentown Fair Opens Next Monday, Continues All Week

With record entries reported in every one of the agricultural and horticultural departments, the 1951 Great Allentown fair, America's greatest county exposition, will open officially at 6 p. m. on Monday, September 17, and Irish Horan and his Lucky Hell Drivers will present an outstanding thrill extravaganza in front of the grandstand at 8 p. m. A gigantic cannon belches forth a blinding flash followed by a thunderous roar as a beautiful new convertible explodes from the barrel of the tremendous howitzer and into 2,400 square feet of space, presenting the greatest, most spectacular exhibition ever presented by an automobile thrill show.

A STORM OF controversy broke over the selection of Mrs. Penny Duncan, 22, of New York City, shown here, as "Miss America of 1952." The great majority of the judges charged after the contest at Ashbury Park, N. J., that they had cast their votes for Mrs. Peggy E. Cress (Mrs. Central Florida), who was not announced as one of the top winners.

pictures about the Cerra case had amounted to unethical advertising for him.

Full programs have been prepared for each of the succeeding five days. Tuesday has been set aside as Farmer's day, Wednesday as Home Economics day, Thursday as "The Big Day," Friday will be Lehigh County day, and Saturday Auto Race day. All have their special significance.

As in previous years there will be four days of harness and running races, with a total of \$17,300 in race purses. Some of the fastest horses in the East will compete.

Sandwiched in between the horse races will be an elaborate program of outdoor acts on the stage in front of the grandstand.

Like a page from the Arabian Nights come true, the coterie of beautiful girls and clever entertainers of the Four Seasons Revue will dazzle the gaze of patrons at the night revue "the Grandstand Follies of 1951." The initial performance will be given Tuesday night and advance sales indicate large audiences for the five nights. Inclement weather will not hinder the presentation of this musical spectacle, for a huge 80-by-90-foot canvas cover will top the entire stage area.

Motif of the entire production is a progressive portrayal of the changing seasons. To achieve this Producer George A. Hamid, foremost booker of outdoor show attractions, has drawn lavishly upon

Keiser Heads Malta Slate

Grand Commander Clifford R. Kintner, of East Stroudsburg, assisted by Vernon Sloyer, of Group 27 and Willis Rader, past commander, installed officers of St. John's Commandery, No. 136, Knights of Malta, last night.

A large number of visitors joined local members in Malta Temple, Stroudsburg for the impressive ceremony. New officers are:

Andrew G. Keiser, commander; August E. Miller, generalissimo; Daniel G. Warner, captain general; Edward H. Wagner, prelate; Jacob S. Haigh, senior warden; Truman E. Newhart, junior warden; August Englehardt, sword bearer; Claude S. Cyphers, standard bearer; Bert B. Palmer, warden; Clifford R. Kintner, sentinel; Ralph E. Howell, first guard; Fred P. Eyer, second guard; Robert V. Wilson, assistant recorder.

Alfred L. Snyder, the recorder, and Arthur W. Bowly, treasurer, were elected in February and hold office for a year. Trustees are C. Edward DePuy, Elias M. Paxton, August Englehardt.

Visitors included W. Willis Rader, deputy grand commander, Group 27; Martin Mengel, Belfast, past commander.

The membership adjourned to the American restaurant for refreshments after the meeting.

POS of A of Two Counties To Convene

Dale H. Learn, State conductor of the Patriotic Order Sons of America, and Claude E. Metzgar, past State president of the order, announced last night they were requested to call a county wide meeting of all members of the order for next Monday at 8 p. m. at the POS of A hall at 22 S. Sixth St., Stroudsburg. Accordingly, all members of the POS of A of Monroe and Pike counties are being requested to attend this conference.

Mr. Learn stated that the national convention will be held in Atlantic City, N. J., Tuesday, Wednesday and Thursday, September 25, 26 and 27 and approximately eight delegates will attend this convention from Monroe and Pike counties. The conference to be held September 17 is partly for the purpose to guide the delegates in their report to the national convention.

Countywide program of sport activities will be worked out between the various camps of the two counties. This will be under the direction of the Mountainhome camp. There will also be a program discussed for a large membership campaign to be conducted this fall as well as a program outlined for combatting the activities of subversive groups throughout this region during the coming months.

A confidential report on all actions taken at the State convention last week in Reading will be presented. Mr. Metzgar had an active part in that convention, delivering one of the principal addresses.

Mr. Page Garland, Fire Captain of Hampton, New Hampshire writes—My duties as Fire Captain are performed at all hours of the day and night, and are a terrific tax on my system. I had no appetite, started to lose weight and sleep was next to impossible. My nerves were just plain ragged.

I was told that I had a vitamin and mineral deficiency. I tried many things without success until a druggist friend suggested VAYLO. I had read about B₁₂ in Reader's Digest, so started VAYLO and within a short time I felt like my old self. Even the boys at the Fire House noticed the improvement in my condition.

ROAD-TEST IT FOR PROOF OF PERFORMANCE!

It's more a treat than a test, when you put a new Mercury through its paces. You never knew that traffic could be tamed so easily, that hills could simply melt away! The secret? Lots of things—its husky V-type "8" engine—its low-slung design—its nimble steering. Yes, here's sweet driving, with all the thrills that makes Mercury so popular.

Standard equipment, accessories, and trim illustrated are subject to change without notice.

2.

BUDGET-TEST IT FOR PROOF OF VALUE!

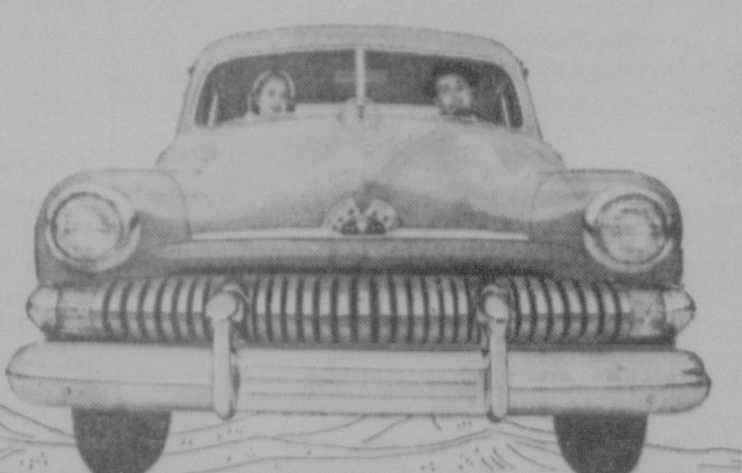

Does it have a down-to-earth first price? Mercury's price tag you can understand—a big dollar's worth for every dollar invested.

Will you be sure of good gasoline mileage? Mercury has proved its more-miles-per-gallon by winning officially sponsored economy tests.

Will upkeep stay low? Mercury engineers have engineered trouble out for extra years of money-saving dependability.

Is it famous for long life? It is indeed! 92% of all Mercurys ever built for use in this country are still on the road, according to studies of the latest annual official registration figures.

3-WAY CHOICE! For the drive of your life! Mercury offers you a triple choice in transmissions. Merc-O-Matic Drive, the new smoother, more efficient automatic transmission—or thrifty Touch-O-Matic Overdrive are optional at extra cost. There's also silent-ease standard transmission.

Male Aliens From 18 To 26 Must Register

Every male alien between the ages of 18 and 26 in the United States, regardless of whether he is residing in the United States, must register with Selective Service headquarters on Friday, September 14, or on any day he entered the United States or any of its territories.

Officials of Selective Service headquarters said yesterday registration covers presence of the male alien in the continental United States, the Territory of Alaska, Hawaii, Puerto Rico, the Virgin Islands, and Guam.

Draft board officials said that Section 3 of the Universal Military Training and Service Act as amended June 19, 1951, provides that "every male citizen of the United States and every other male person now or hereafter in the United States" who is between the ages of 18 and 26 shall be subject to registration.

The effect of the amendment of Section 3 is to make aliens within the above ages who are in the United States, subject to registration regardless of whether or not they are residing in the United States.

Selective Service officials emphasized that every male person of the United States born after Sept. 14, 1933, shall be registered on the day he attains the 18th anniversary of the day of his birth, or five days after, or within the period of the day on which he entered the United States or any of its territories.

Any Selective Service board will handle such registrations. The local board having jurisdiction over this area is located in the Post Office building room, 202, Stroudsburg.

Any persons in doubt about his duty to be registered is advised to call Local Board 105 in Stroudsburg.

Demands On Water Taxing Supplies

New York (AP)—The nation was told yesterday that its demands for pure water are taxing seriously the existing means of supply.

Steps must be taken to increase and expand water supply facilities if new and growing water requirements are to be met, according to Dr. Leonard A. Scheele, U. S. surgeon general, and Charles H. Capen, vice president of the American Water Works association.

Both men emphasized the need for nationwide cooperation in meeting the program. They spoke at a presentation of General Electric company's visual program on water supply, which will later be shown in communities throughout the country.

ASK any GMC owner about hauling performance.

For when it comes to packing home a pay load—he's got a lot of solid experience.

He knows what the right kind of horsepower can do for trucking profits. Whether he powers his load with a gasoline pickup model—or requires one of the sensational new GM-Diesel "Million-Milers"—he's right in the driver's seat for performance unexcelled by any other carrier in its class.

But he's not just "riding an engine."

He'll tell you the way his GMC shoulders the load, year after year, is proof of perfect teamwork of axle, chassis and frame—truck-engineered to outlast anything on the roads today.

Want to profit by the same long-time benefits of GMC's truck-building experience? Let us recommend the right combination of hauling performance to fit your particular needs. For GMC's are made in the widest variety of engine-chassis-axle combinations, from 1/2 to 20 tons.

BONNETS AND BASKETS of gifts for the bride were featured at the bridal shower held last night for Miss Mildred Bauer, center, at the home of Mrs. Grant Keiper. Seated from left to right, Barbara Shiffer, Mrs. Nina Hawk, Miss Jerry Jasmir, Mrs. Keiper, Miss Mildred Bauer, Mrs. Herbert Cramer, Miss Mildred Deacon and Jean Keiper. Standing same order: Gene Masiers, Mrs. William Altemose Jr., Marjorie Reynolds, Mrs. Warren Godshall, Mrs. Inga Brown, Mrs. Elwood Shiffer, Mrs. Herman Pensyl, Florence Bates, Mrs. Arthur Decker, Mrs. Clarence Lessine and Mrs. Robert Bates.

Miss Bauer, Bride-To-Be Is Honored

Miss Mildred Bauer, Monroe Bible club teacher, who will become the bride of Joseph Mikels, of Canadensis, on Saturday, September 15, at 2 o'clock at the Baptist church, East Stroudsburg, was last night the guest of honor at a surprise shower held at the home of Mr. and Mrs. Grant Keiper, Brown St., East Stroudsburg.

A series of games were played including making new fall bonnets from paper plates and decorations which were provided. Some of the guests are shown wearing their creations in the picture above.

Another feature of the party was the preparation of a scrapbook for the bride-to-be. The guests cut pictures from magazines representing incidents in her past life, and pasted them into a scrapbook which was presented to her.

Mrs. Keiper was assisted as hostess by Miss Geraldine Jasmir and Miss Mildred Deacon.

St. John's Scene Of Wedding Yesterday

Edward Van Arsdale, of Wilkes-Barre, and Miss Carol B. Murphy, of Merchantville, N. J., were married yesterday afternoon at St. John's Lutheran church. Rev. P. N. Wehlsen, home for two days from his vacation, performed the single ring ceremony.

They were attended by Mr. and Mrs. Paul Gafko. The bride wore a beige suit with a corsage of orchids, and her matron-of-honor wore a blue suit, and a corsage of orchids.

They will make their home in Merchantville. Mr. Van Arsdale, a former Maritz bus driver, is now in the motor trucking business, between Buffalo and New York City.

Just Between Us

—By Bobby Westbrook

A cold morning shower couldn't leave any more gasping for breath than a night on the social desk. The women have certainly come back to their fall meeting schedule loaded for bear.

The variety and work involved in the projects they're putting on these next few months, if compressed into one project, could probably build the Delaware Water Gap bridge and have enough energy left over to charge up an atomic pile.

Fruit cakes and birthday calendars, sauer kraut suppers and Christmas bazaars, rummage sales and organ funds, hot lunch programs, cake walks, luncheons and county meetings, fashion shows and politicking.

Well, anyway, after sorting the news into "musts," "oughts" and "wish-I-coulds," I've decided we should all stock up on vitamin pills. Though last night I could have substituted some of the refreshments Mrs. Keiper served for Miss Bauer's shower. I know Mrs. Keiper's cooking. No fair getting this merry-go-round going so fast you can't hop off for refreshments.

Pfc. Goucher would like to hear from his friends at home. His address is Pfc. Robert A. Goucher, RA 1330858, Hg. and Hg Btry, 12th AAA Group, APO 403, care of postmaster, New York, N. Y.

Anniversary Marked At Lane's End

Readers — Mr. and Mrs. Michael John Basel, of Brooklyn, N. Y., celebrated their 45th wedding anniversary at Lane's End, home of their daughter, Mrs. J. Haviland Heitman, at Reckers.

A weekend party was given in their honor, with a reception held in the recreation center of the newly renovated barn, which was decorated in gold and white with sapphire predominating in the flower scheme. The ideal weather made it possible for the younger guests to enjoy the pool.

Upon Mr. Basel's retirement, they are planning on making their home in the Pocono. Weekend guests included Mr. and Mrs. Charles Franzen and Mr. and Mrs. John Kekut, of Glendale, N. Y.; Mr. and Mrs. Samuel Tavichio, Miss Katherine Harman, Mrs. Frieda Keldner, of Brooklyn, N. Y.; Richard Lindner, of Massapequa, N. Y.; Mr. and Mrs. Joseph McDevitt, Kathleen, Rose Mary and Jeannie McDevitt, and James, Barney and Joseph McDevitt Jr., of Upper Darby, and the hosts, Mr. and Mrs. J. Haviland Heitman, and Miss Betty Basel Heitman, their daughter.

Son Is Born

Mrs. T. Manning Curtis last night received a telephone call from Gorham, Maine, announcing the birth of a son to Mr. and Mrs. Clarence Hovis. The baby weighed 8 pounds 9 ounces, and is their third child. Mrs. Hovis is the former Edna Hartman, of East Stroudsburg.

Anna Logans To Repeat Two Projects

The Anna Logan Society of the General Hospital will again use the birthday project and holiday fruit cakes as a means of raising money for the hospital. It was decided at a special meeting of the society called by the president, Mrs. Robert Miller, for the hospital on Monday night.

There was a lengthy discussion on the birthday calendar before its adoption. Mrs. William Thomas accepted the chairmanship with Mrs. Melvin Fetterhoff as co-chairman. Mrs. Marshall Metzgar and Mrs. Joseph Andre will have charge of the birthdays, and further information regarding them may be obtained from Mrs. Andre 2047-J1.

The October meeting was set as a deadline for ads and birthdays to be in the hands of the committee. Mrs. William Levering will be in charge of arranging for organizations to list their meeting nights on the calendar.

The society also decided to bake fruit cakes in November with the chairman to be announced at a later date.

Reports on past projects included a report by Mrs. T. I. Metzgar on the hospital dedication booklet which was very successful, and a vote of thanks was given Mrs. Miller and the committee for the work they had done.

Mrs. Levering reported on the work being done at the nurses' home at the hospital. Mrs. Paul Shiffer is chairman of the nurses' home committee which includes Mrs. Levering and Mrs. Horace Butler.

The October meeting will be held at the General Hospital when Mrs. Morton Spinner's team will be hostesses.

Hendricks-Ladlee Engagement Announced

Mr. and Mrs. Foster Ladlee, of 699 North Courtland St., East Stroudsburg, announce the engagement of their daughter, Janet Edna, to LeRoy Layton Hendricks, son of Mrs. Celeste Hendricks, of 58 Lennox Ave., East Stroudsburg.

No date has been set for the wedding.

Canteen Com. Postpones Date

The meeting of the Pocono Servicemen's Canteen committee has been postponed from September 17 until October 15, in order that the organization which the members of the committee represent will have resumed their regular meeting dates.

At the October meeting, to be held at VFW home the project of the canteen will be reviewed. The committee has been set up so that in the case of any national emergency the canteen for servicemen at the railroad station may function immediately. In the interim members of the committee are studying the aims and projects of the organizations represented.

Christ Guild Launches New Organ Fund

St. Mary's Guild of Christ Episcopal church opened the fall term with a luncheon meeting at the Indian Queen hotel yesterday afternoon with 22 members present.

Following the luncheon, the group retired to the coffee shop where the meeting was held with Mrs. Walter Angle, president, in charge. A number of special projects were announced.

Guild members agreed to dress dolls for the Children's Christmas party gifts. It was announced that a new sink had been installed in the parish house kitchen, completing the organization's project of an up-to-date kitchen. Two guild members each presented \$500 to launch the proposed organ fund of the church. Announcement was made of a rummage sale to be held September 27, 28 and 29, at 314 Main St. Members are requested to send their contributions Thursday morning, September 27.

Garden Board Meeting

The executive board of the Monroe County Garden club will meet Thursday afternoon at 2:15 at the home of Mrs. Russell E. Hamblin, Arlington Heights. Members may find the Hamblin home by taking the first road to the left outside of town and keeping to the left. In case of rain, the meeting will be held at the YMCA.

OLDER FOLKS OFTEN HAVE "TIRED" BLOOD

As you get older, when your color is bad and you feel tired, "all in," the chances are as high as 8 in 10 your blood is below par. Then it's time to try Geritol—scientific blood tonic made especially for people over 35. Pale, weak blood leaves you "lousy," tired and "blue." Red, healthy blood goes with dynamic energy—invites that "million dollar" feeling. Geritol's action is amazing—within 24 hours Geritol iron appears in your blood. Geritol also contains remarkable Vitamin B₁₂, the wonders of which were described by Reader's Digest. If your doctor says you need an iron-blood tonic—get Geritol at your drugstore today. See how much better you feel as your color improves and tirelessness goes.

Life of Riley

By JIM RILEY
Sports Editor

Slatington and Leighton may appear like two names as different as night and day, but obviously they must have seemed like twins to this writer when he put together yesterday's column. For some reason that I have yet been unable to find, the name Leighton appeared in the column on several occasions, when actually Slatington will be the first foe of the season for the Cavaliers of East Stroudsburg on Friday night. My sincere apologies to all concerned.

However, even though Slatington is the type of team that appears good and bad on occasions almost annually, I will stick by my prediction for an East Stroudsburg victory on the first day of the season. Slatington, according to reports, will have a better club than Leighton's this season, but this writer still carries that hunch that Coneh Jack Kist's Cavaliers will enjoy their best campaign in history, giving the fall sport a sorely needed shot in the arm up on N. Courtland St.

East Stroudsburg tangles with Bangor at home a week from Friday night, after Stroudsburg stacks up against the State Belt machine this Friday. The early season meetings of these three teams will give followers of the Mountaineers and Cavaliers an opportunity to compare the merits of the two clubs well in advance of their annual meeting next month. Even though a game has not been played as yet, 1952 promises to be one of the best, at least one of the most interesting, football campaigns in the history of both schools.

Harry Schaeffer, pitcher with the Stroudsburg Poconos, North Atlantic League, back in 1946 and 1947, may even now be a 20-game winner for the Beaumont Roughnecks of the class "AA" Texas League. According to the latest information published in this week's Sporting News, Harry had a mark of 19 wins and eight defeats, for a .704 mark. Schaeffer has appeared in 34 games, worked 254 innings and fanned 118 batters. Harry, who also hurled for Portland, Blue Mountain League, at one time, topped his nineteenth victory when he stopped Dallas, 2-1 in eight innings. The game was listed as a seven-inning affair.

Ed Varnely, winner of 20 games and loser of two with the Poconos during the regular 1949 campaign, recently turned in a brilliant bit of relief hurling for Dallas, when he entered the game against Tulsa, with his club leading 5-1, but with the sacks completely full of Tulsa runners and no outs. However, the likeable southpaw turned in a relief chore that would make the best of the late inning hurriers blush with envy, as he retired the side without even one runner being able to touch home plate.

Jack Harmon, Gary Emanuel and Bill Shook, all former basketball players at Stroudsburg High school, are now at Penn State. Harmon and Emanuel were stars on the varsity last year, with Harmon serving as captain. Jack also received the Olympic award as the top combination athlete-student in the school for the 1950-51 term. Joe Rittinski, brother of Charley who made football history at East Stroudsburg State Teachers College a couple of seasons ago, reportedly is almost certain of a guard position on the Penn State football team this fall.

Chris Kitzos, shortstop for Kingston, N. Y., when that town was a member of the North Atlantic League in 1947, gained a similar position on the class "B" Tri-State League all-star team recently, in a poll conducted by the Tri-State Baseball Writer's Association. Wally Habel, shortstop with the Carbondale entry in the North Atlantic League last year, was named to the same position on the Western Association all-star team this season. Habel played with Salina, Kan., a class "C" club throughout the 1951 campaign.

The selection of George Metropoulos as athletic director at the Monroe County YMCA by the directors last night was a very good move. In the humble opinion of this column, George is a solid citizen, has that knack of handling youngsters and also knows his sports inside out. Metropoulos played with the West End A. C. entry in the Pocono Mountains League this year, spent one season on the East Stroudsburg State Teachers College wrestling team, and is also a local softball and basketball figure of note. George is a graduate of ESSTC.

Clement Bodkin is being sought by the Philadelphia A's, following a letter telling of the youngster's diamond ability. Although nobody seems to know Bodkin, the letter was written at some address on Main St., right in Stroudsburg. Anyone knowing of Bodkin is asked to drop this column a line, so that the information may be forwarded to the A's scouting force.

Cage Tourney Discussed By Lehigh Valley Plans To Be Aired At Next Meeting

Slatington—A motion was introduced at last night's meeting of the Lehigh Valley League to hold a league sponsored basketball tournament during the Christmas holidays. The motion was presented by Lloyd Williams, basketball coach at Slatington High, during the regular meeting of the circuit.

However, no official action was taken on the movement and it was shelved until a later date, when its possibilities will be discussed at greater length.

Slatington was recognized as the 1951 basketball champion in the Lehigh Valley league and Palmerton was named the track king in the same circuit. Both schools were rewarded with trophies for the respective sports.

Introduced

Sam Russell, new head basketball coach at Stroudsburg High, and Carlton Berger, assistant football and basketball mentor at the same school, were introduced to the remainder of the league and school representatives.

Alfred W. Munson, principal; Jerry Stulgaitis, head football coach; John DeVivo, assistant grid mentor, and Mahlon Serfass, faculty athletic director, were on hand to represent Stroudsburg at the meeting.

Serfass also announced that Stroudsburg had completed its junior varsity football schedule of five games. The schedule follows: Monday, September 24, Bangor, away; Monday, October 8, Pen Argyl, home; Monday, October 15, East Stroudsburg, home; Monday, October 22, Palmerton, home; and Saturday, November 3, Slatington, away.

Senators Down Chisox In Tenth

Washington (AP)—Sam Mele's tenth inning single scored Tom Ferrick from third base to give Washington a 7-6 victory over the Chicago White Sox in a wild game last night. The win snapped the Senators nine-game losing streak.

Manager Paul Richards of the White Sox, catcher Mike Guerra, and outfielder Gil Coan of the Senators were ejected from the game by umpire Cal Hubbard. He also ordered five other Washington players off the bench.

Payoff

Mickey Grasso started the Senators with a double but was out at third on Ferrick's attempted sacrifice. Singles by Eddie Yost and Mele brought Ferrick across.

Al Zarilla hit a two run homer for the Sox in the third.

Cubs Finish Strong To Trip Braves In Hit Marathon, 13-11

Chicago, (AP)—After blowing a six run lead, the Chicago Cubs finished strong yesterday to defeat the Boston Braves, 13-11, in a wild scoring marathon.

The Cubs clinched a 33-hit rodeo in which eleven pitchers were used with three runs in the Chicago eighth. "Hank" Sauer opened it by driving his twenty-seventh home run into the left field bleachers. It lifted the Cubs into a 11-11 standoff, and moments later Bob Ramazetti broke the deadlock.

Winning Spurt

After Bob Chipman, fourth of Boston's five pitchers, got Ransom Jackson on a fly and Forrest Burgess on an infield pop, behind Sauer's round tripper, Bruce Edwards singled to revive the rally.

Turnesa Bows From Amateur Play

Bethlehem (AP)—Five lines in the rule book and the son of a famous professional cut down Walker Cup captain Willie Turnesa yesterday, but defending champion Sam Urzetta led a hard little core of favorites into the third round of the National Amateur Golf tournament.

Nineteen-year-old Billy Picard of Charleston, S. C., who learned his brassie lessons at the knee of father Henry Picard, eliminated Turnesa, three and two, after the little Elmsford, N. Y., veteran had been penalized the first hole for showing up late.

Turnesa, twice winner of this championship, said he was on the practice grounds and didn't hear the page when he was summoned to the first tee.

Sauntering over eight minutes late, the Walker Cup captain was referred to section three of rule two in the code which prescribes a penalty for anyone delaying play. So Turnesa had to start on the second tee, one down.

Tough Task

"It's like losing two holes before you start because there's always the chance I could have won the first," he commented afterwards. "You can't give up that kind of an edge in these 18-hole matches."

Turnesa thus joined three other Walker Cup members—Frank Stranahan, Bill Campbell and Bobby Knowles—on the sidelines with things not even warm yet in this fifty-first championship over the 6,979-yard, par 71 Saucon Valley Country Club course. The other three were knocked out Monday.

Urzetta, steady but unspectacular, profited from some atrocious putting on the part of his adversaries won over Jack Selby, 32-year-old oil company executive from Dallas, four and three.

Selby, a national semi-finalist in 1947, couldn't get the ball into the cup with a rake. He three-putted five of the first nine holes and three times fubbed "gimme" assignments of 18 inches.

He was better than the champion from tee to green, hitting 13 of 15 fairways, but once on the carpeis he was jumpy as a crate of chickens. Urzetta was three over par for the 15 holes.

Two of the prime favorites—Philadelphia's Jim McHale and Oklahoma City's Charlie Coe—got some bad shots out of their systems and still managed to carry their bids into today's double round of eliminations when the field will be reduced to 16.

McHale, giant Walker Cup star who has been burning up his home course here, had to rally to eliminate J. Walcott Brown, a fiftyish bank president from Brielle, N. J., one up. McHale was two-down at the turn after shooting a 39. He came back in 34 for 73.

Coe, who won the National Amateur in 1949 at Rochester, N. Y., expelled Robert Albertus, a 42-year-old Wallingford, Pa., player who is little known outside his own ballclub, four and two. The thin Oklahoman went two over par on one hole and picked up on another, his shotmaking was so erratic.

Meanwhile, the spectators began to show new interest in Billy Joe Patton, 29-year-old former Wake Forest athlete from Wash., N. C.

homer in the third to account for the winning markers. Byrne gained his first victory over his former mates but needed help from old Satchell Paige. The ageless Negro righthander took over in the sixth to quell a Yankee uprising and held the Bombers runnerless the rest of the way.

McDonald, who has pitched half of his four major league victories against the Yankees, broke up a 3-5 tie with a two-out single in the ninth. The blow drove in Fred Marsh who had doubled and gone to third on a one-bagger by Bill Jennings. Joe Ostrowski, a former Brownie, was the loser.

Indians Move Into First Place By Dividing Browns Sweep Pair From Surprised Yankees

by Herb Altschull
Philadelphia (AP)—The Cleveland Indians staggered into first place in the American League last night as they divided a doubleheader with the Philadelphia Athletics, winning 6-5 in an 11-inning twilight game and bowing 9-5 in the night contest.

The Indians took a one game lead over the New York Yankees, who were stunned twice by the last place St. Louis Browns.

Save for some sterling relief pitching by Early Wynn in the first game, the same fate would have befallen the Indians, the Cleveland defense fell wide apart to hand the Athletics the nightcap.

After they had been handcuffed for seven innings by Alex

Kellner's four hit pitching, the Indians came to life in the eighth inning of the second game, sending Kellner to the showers with a four run outburst that put Cleveland in front 5-4.

Fight Back

But the A's came right back to score five times in a nightmarish inning for the Cleveland inner defense.

After one man had been retired, Ferris Fain beat out a bunt and relief pitcher Lou Brissie walked Elmer Valo.

That brought in Mike Garcia, who had been knocked out in the first game, Gus Zernial greeted him with a line single to center, the only solid smack of the inning.

After that the roof caved in.

New Coaches Make Local Appearances

East Stroudsburg and Bloomsburg State Teachers Colleges are to be heard from on the local coaching front this year, as far as schools in Monroe county are concerned.

Edward E. Kriner, varsity guard on the ESSTC grid machine last season, has been named to the physical education department at Barrett High, where he will coach both basketball and baseball. Kriner also kicked several extra points for the Warriors during the 1950 campaign.

Junior High

Michael Evans, a graduate of Bloomsburg State Teachers College, where he played basketball, baseball and football, is currently at work teaching geography and coaching football, basketball and baseball at East Stroudsburg Junior High school.

Evans also played professional baseball in 1950, with Vandergrift, of the class "C" middle Atlantic league. The new mentor also played in today's double round of eliminations when the field will be reduced to 16.

McHale, giant Walker Cup star who has been burning up his home course here, had to rally to eliminate J. Walcott Brown, a fiftyish bank president from Brielle, N. J., one up. McHale was two-down at the turn after shooting a 39. He came back in 34 for 73.

Dodgers Move Nearer To Flag With Decision Over Reds, 7-0

Cincinnati, (AP)—The Brooklyn Dodgers lunged closer to clinching the National League pennant last night as they knocked the Cincinnati Reds spinning with a 7-0 whitewash job. Andy Pafko and Gil Hodges helped boost Clem Labine to his third victory without a defeat by changing in two runs apiece.

Phillies Win Over Pirates Behind Roberts

Pittsburgh (AP)—Robbin Roberts pitched five hit ball last night to chalk up his twentieth victory of the season as the Philadelphia Phillies beat the Pittsburgh Pirates 5-2. It was Roberts sixth consecutive win over the Pirates.

The winning blow was Willie Jones' home run in the seventh inning, scoring Richie Ashburn ahead of him. It was his eighthteenth of the year and defeated Buc hurler Don Carlson, who allowed only five other hits.

Fifth Straight

It was the Pirates' fifth loss in a row and broke a six-game losing streak for the Phils.

The Phils scored a run in the fifth on singles by Del Ennis and rookie Mel Clark and a fielder's choice.

The Pirates' two tallies came after George Strickland drew a walk and Dick Cole reached first on an error. Pete Castiglione's long single scored both men.

Heller Advances In Amateur Play

Bethlehem—Leo Heller, a former resident of Stroudsburg, advanced into the third round of the U. S. Amateur Golf tournament here yesterday at Saucon Valley.

Close Shave

Heller, who never won a major tourney, defeated Robert Gardner, Los Angeles, one-up, in the second round after passing his initial test on Monday.

The winner, now a resident of Malvern, Pa., was a former salesman for Worthington Mower Co. and onetime club champion at Glen Brook.

Returns To Steelers

Cambridge Spring, Pa. (AP)—Fullback Jerry Shipkey agreed yesterday to return to the Pittsburgh Steelers of the National Professional Football League.

Shipkey had quit football to run his father's oil business in Anaheim, Calif.

Wins Unanimous Nod

Brooklyn, N. Y. (AP)—Phil Burton, 145-lb., St. Louis, won a unanimous eight round decision last night over Johnny Cesario, 148, Hartford, Conn., in the main event at Fort Hamilton Arena.

Softball Playoff Opens Tonight

Worthington Mower and the Eagles clash in the first game of a best two-out-of-three-series tonight to decide the 1951 Monroe County Softball League champion. Worthington Mower won the first half title, while the Eagles landed the second half crown. The playoff series will be held on the East Stroudsburg Junior High school field, with each game getting underway promptly at 6.

The Eagle's team is made up primarily of players from the smaller industries throughout the Stroudsburgs, while Worthington Mower is almost entirely a shop club.

Marcus "Mac" Decker is scheduled to do the pitching for Worthington Mower, while Ed. Rough handles the catching chores. Gail "Doc" Fegley will be on the hill for the Eagles, with Stan Konowalik behind the plate.

Gold Medal

Softball fans of the area will also be pleased to learn that a second annual Gold Medal Softball tournament, under the sponsorship of the Y.M.C.A. club of the Monroe County Y.M.C.A. will be held this year. The tournament is slated to get underway next Monday and run through Thursday.

There will be an entrance fee of \$5.00 which will go toward the purchase price of a trophy, individual medals and fees for umpires. All entrance arrangements must be completed by Friday night.

Games will be played on the Stroudsburg Playground and East Stroudsburg Junior High school fields, with the action being run on a one game elimination basis, winners remaining in action and the losing nine dropping out. All game will begin at exactly 6 p. m. It was announced yesterday by George Metropoulos.

Gail "Doc" Fegley has been named chairman of the Gold Medal committee, which also includes Bill Reaser, John Kuip, Lou Leffler, John R. Wilson and Metropoulos. The committee will hold a meeting at the YMCA on Friday, at 8 p. m.

Robinson Favored To Regain Middleweight Crown In Widely Heralded Bout With Turpin

by Jack Hand
New York (AP) — Sugar Ray Robinson of Harlem is a two to one favorite to win back the middleweight boxing title from sturdy Randy Turpin, the pride of Britain, tonight at the Polo Grounds in the hottest international bout since 1938. Ring time for the 15-round match is 10 p. m. (EDT).

Not since Joe Louis annihilated Max Schmeling in their second round brawl has a fight incited such trans-Atlantic excitement. Sugar Ray's tremendous upset defeat by the 23-year-old British Negro shocked and thrilled the fans of two continents.

Rematch
The rematch, a sure fire money maker since it was announced, is expected to draw the largest gate ever for a non-heavyweight battle. Some 50,000 are due to pay \$600.00 to see the man who beat Robinson—until July 19—the greatest fighter pound for pound in the world.

Radio and television fans are

shut out on this production of the International Boxing Club unless they can crowd into one of the 14 theaters in 11 cities, all outside New York, that will present theater television at prices ranging up to \$2.60.

Total receipts may near the million dollar mark counting the movies and theater TV. The old middleweight mark of \$422,918 set by Rocky Graziano and Tony Zale in 1947 is already broken with \$425,000 in advance sales. High mark for a non-heavyweight scrap is \$461,789 for Paul Berlenbach-Jack Delaney at Ebbets Field in 1926.

Fair weather and temperatures near 85 are forecast for today if it should rain, the bout would be held tomorrow.

Plane loads of British fans and writers continue to land with Turpin supporters. Still the odds favoring Robinson have not shortened appreciably. He opened at 12 to five, went down to nine to five but now is two to one in man-to-man betting.

American fans find it difficult to believe that Robinson, even at 31, can be whipped twice in a row by muscular bullyboy with an awkwardly effective style. After all, Robinson lost only two of 132 fights, knocked out 84 of 128 victims and fought two draws. He never has been knocked out.

Record
Turpin, stopped once by ordinary Jean Stock in 1948 when he injured his hand, has lost two of 44. Until he fought Robinson at Earls Court two months ago he never went more than eight rounds. His record shows 23 knockouts in 41 wins, and one draw.

There were no knockdowns in their London scrap in which Turpin took complete charge of the sleek Harlem Negro. Bulling Ray in the clinches, rapping the side of Robinson's head with punches that caused a controversy and dominating the body punching, Randy was a clear cut winner.

Bosox Keep Hopes Alive

Boston (AP) — The Boston Red Sox were limited to three hits yesterday but Ted Williams kept their flickering pennant hopes alive by lashing a two-run single in the eighth inning for a 4-3 victory over the Detroit Tigers.

The Tigers totalled eight safeties, including Steve Souchock's tenth homer, while putting on a sensational defensive stand that included a triple play.

Triple Play
While righthander Marlin Stuart, who had lost his last five starts after winning his first four, was working on a 3-1 lead, he walked the first two Boston batters in the seventh. But then he forced Walt Dörner to line an outside pitch to Johnny Ligon.

Ligon doubled up Clyde Vollmer at second and Gerry Priddy's throw to Don Kolloway caught Billy Goodman off first base to complete the triple killing.

Boston 4-3 Detroit 3-0

Large quantities of water are being drilled for oil.

Friends Provide Bond For Banker

Pittsburgh (AP)—Ludwig R. Schiekat, bank president charged with embezzling \$600,000, won his freedom from jail yesterday after friends and relatives posted bond of \$50,000.

Schiekat is awaiting trial on charges of taking the money from the Parnassus National bank in nearby New Kensington which he headed since 1947.

The balding, spectacled banker was arrested three weeks ago after the Federal Deposit Insurance Corp. found the shortage and accused Schiekat of taking the funds over a 16-year period. Government investigators say Schiekat, who rose from clerk to president, used

Woman Perishes In Rescue Attempt

Williamsport (AP)—An aged housekeeper lost her life yesterday in an unnecessary effort to rescue her employer from a burning home.

Mrs. Bessie Heim, 75, widow of a Methodist minister, ran into the house, thinking that Richard S. Sanders, 85, still was there.

But Sanders, although severely burned, had escaped from the blazing house through a garage door.

The fire developed, from an undetermined cause, either in the Sanders home or a grocery store located beside it.

Mrs. Heim, who kept house for Sanders, ran for help when she discovered the fire on her return a few minutes later she dashed through the flames to aid her employer without knowing he already had escaped.

Minister To Attend Council Conference

Pastor Russell R. Adams, minister of the Stroudsburg Seventh-day Adventist church, will leave today for Wescosville, where he will attend a five-day ministerial council of the East Pennsylvania Conference of Adventists.

The local pastor will join with all other ministers, Bible instructors, interns and conference officials in the convocation held at the denomination's eastern Pennsylvania camp ground near Allentown.

The meeting, scheduled to begin this afternoon will continue until Sunday noon with a guest speaker occupying the pulpit of the local church next Saturday. It is a regular yearly parley designed to study church problems, present reports, and announce plans for the coming year.

The guest speaker for the preachers' convention is Elder Denton E. Rebok, former president of the Seventh-day Adventist Theological Seminary, and currently an associate secretary of the White Foundation of the General Conference of Adventists, Washington, D. C.

Other speakers include Elder Dan A. Ochs, president of the Columbia Union Conference, Washington, D. C.; Elder T. E. Unruh, president of the local East Pennsylvania Conference, Reading, Pa.; Kenneth H. Wood, departmental

George Metropoulos Succeeds Al Sterner As Director Of Physical Department At YMCA

George Metropoulos was elected physical director of the Monroe County YMCA at the meeting of the directors at the Wyckoff tearoom last night, with the president, James T. Kitson, presiding. The young man succeeds Al Sterner, who resigned to accept the principalship of the Smithfield Twp. public schools.

Mr. Metropoulos is the son of George Metropoulos, of 205 N. Ninth St., Stroudsburg. He was graduated from Stroudsburg High school in the class of 1946, served two years in the U. S. Navy in World War Two and was graduated from East Stroudsburg State Teachers College last month when he received his B. S. degree in physical education. The young man was head counselor of the Y Day camp in 1947. He has assumed his new duties.

General Secretary John R. Wilson reported that Charles Frank, local contractor, had completed his work of removing the porch from the front of the building, but still had some repairs to make. Much favorable comment was heard on the improved appearance of the exterior of the structure.

Richard M. Frantz, who has the contract for painting on the interior of the building, was reported to have been held up by rush of work, but expected to start his part shortly.

Mr. Wilson reported that additional fire insurance had been placed on building and contents, the total coverage now being \$79,000. Roy M. Houser, treasurer, gave the report on the building fund account.

In his report on the Y Day camp, Mr. Wilson stated there were 55 boys enrolled for each of the two periods and that it was a success both financially as well as for the operation of the same, best since the movement was started.

He also told of his work with the Little League of baseball clubs, declaring the season most successful and with excellent prospects for the future.

Wilson headed the New York Herald-Tribune fresh air movement the past summer when 65 children from the tenements of New York City were entertained for a period of two weeks. Forty-five new homes were provided for them.

The secretary told of the trip he and seven boys had made to New Orleans, La., and many points of interest in the South and thanked E. H. Wyckoff who furnished a new bus for the trip. During the summer, Mr. Wilson served at the Mountainhome Methodist church and Presbyterian Church of the Mountain, Delaware Water Gap. Six overnight camps were conducted during the summer also, he stated.

The Mothers' club of the Y was commended by the secretary for the work they are doing and also for the picnic they sponsored for the boys of Y Day camp.

The bowling alleys at the Y have been placed in excellent condition in preparation of use for the fall and winter season. William Lessig has been appointed to take charge of the alleys and is now busily engaged exploiting them.

Active preparations are now under way to get the early fall activities of the Y under way with a program of interest to both the young and older members being highlighted.

Directors in attendance in addition to President Kitson were: C. A. Keiper, A. F. Everitt, Mrs. W. Dolby Palmer, Frank L. Stack-

The time that different birds begin chirping or crowing in the morning varies from species to species. Apparently all begin when daylight reaches a certain intensity.

Most people, it has been found, are unable to hold a camera and shoot a picture at less than 1/25th of a second.
